

# Congratulations and a warm welcome to the newest CFA charterholders.

---

*These exceptional men and women have successfully completed the three levels of the CFA Program and have worked as investment professionals for a minimum of four years. Now these new CFA charterholders are fully prepared to lead the financial industry in pursuit of excellence. They have demonstrated comprehensive knowledge of finance and analytics, and, just as importantly, commitment to the highest standards of ethical and professional conduct, of which their employers and clients will be the true beneficiaries. Regardless of where their careers take them, may they always be guided by these benchmarks.*
